Understanding the Ohio State Afghan Pattern

The pattern itself often features a combination of basic crochet stitches such as single crochet (sc), double crochet (dc), and colorwork techniques like stripes or motifs.

Common pattern elements include:

- Color blocks: Alternating scarlet and gray stripes or sections.
- Buckeye leaves: Embroidered or crocheted motifs resembling the iconic Buckeye leaf.
- Borders: Decorative edging to frame the afghan, often in contrasting colors.

Skill Level: Intermediate, suitable for those comfortable with color changes, striping, and simple motif incorporation.

Step-by-Step Pattern Breakdown

- Planning Your Afghan Size

Decide on the dimensions based on your intended use:

- Lap blanket: 40" x 50"
- Throw: 50" x 60"
- Bed-size: 60" x 80" or larger

Use your gauge swatch to determine how many stitches per inch you get, and adjust your foundation chain accordingly.

- Creating a Gauge Swatch

Crochet a small square (e.g., 4"x4") to test your tension:

- Use the chosen yarn and hook.

- Measure the number of stitches and rows per inch.
- Adjust your hook size if necessary to match the pattern's recommended gauge.

- Starting the Foundation Row

Begin with a foundation chain in scarlet, following your width measurements. For example:

- For a 50" width with a gauge of 4 stitches per inch: 200 stitches.

- Basic Pattern Rows

Most patterns alternate between scarlet and gray in rows or sections:

- Row 1: Single crochet in each stitch across, in scarlet.
- Row 2: Change to gray, double crochet across.
- Repeat: Continue alternating colors to create stripes or blocks.

- Incorporating Buckeye Motifs

To truly capture the Ohio State spirit, add signature motifs:

- Buckeye leaves: Use embroidery or crochet appliqué to attach leaves in contrasting yarn.
- Colorwork: Employ tapestry crochet or intarsia techniques for detailed designs.
- Embroidery: Use yarn or embroidery floss to stitch the Buckeye emblem onto the afghan.

- Border and Finishing Touches

Finish with a border in a contrasting color or a simple scalloped edge, depending on your style:

- Single crochet border: Go around the entire afghan, placing 3 single crochets in each corner for neatness.
- Decorative edge: Use picot or shell stitches for a fancy finish.

Tips for Success

- Color management: Use bobbins or separate yarn balls to prevent tangling.
- Consistent tension: Maintain even tension to ensure uniform stitches.
- Pattern repeats: Keep track of color changes and motif placements.
- Blocking: Once finished, block your afghan to even out stitches and enhance the pattern.

Customization Ideas

Personalize your Ohio State Afghan with these ideas:

- Add initials or graduation year using embroidery or appliqué.
- Incorporate different motifs, such as helmets, footballs, or the Ohio State logo.
- Adjust size for different uses?smaller for pillows, larger for throws or blankets.
- Use different yarn textures like chenille or boucle for unique feels.

Maintaining Your Ohio State Afghan

Proper care ensures your masterpiece lasts for years:

- Washing: Hand wash or machine wash on gentle cycle in cold water.
- Drying: Lay flat to dry to prevent stretching.
- Storage: Keep in a cool, dry place, folded neatly or rolled to prevent creases.
